

Quarterly Disclosure Statement for the 12 months ended 30 June 2015 Generate KiwiSaver Scheme Conservative Fund

What is the purpose of this statement?

This statement provides key information about the Generate KiwiSaver Scheme Conservative Fund. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

Description of the fund

The objective of the Conservative Fund is to provide a conservative investment return for members over the medium to long term through investment in a portfolio of actively managed cash, fixed interest, property and infrastructure assets.

Total value of the fund	\$13,392,926.55
Number of members in the fund	2,411
Date the fund started	16 April 2013

How has the fund performed?

	Past year
Return (after deductions for fund fees and tax ¹)	8.24%

How has the fund performed in the past?

This shows the return after fund fees and tax for each tax year since the fund started and the average annual return since the fund started. It's important to note that this doesn't tell you how the fund will perform in the future.

What fees were members charged?

The returns above are after deductions for fund fees.²

These fees were last totaled up for the year to 31 March 2015 and were:

Total fund fees	1.20% of members' investments
Annual management fee	0.94%
Performance-based fees	0.00%
Other fees and costs	0.26%

Members were also charged membership fees³ of \$36 over the year to 31 March 2015.

Example of how this applies to a member

Sarah had \$10,000 in the fund at the start of year and didn't make any further contributions. At the end of the year, Sarah received a return after fund fees and tax were deducted of \$824 (that's 8.24% of her initial \$10,000). Sarah also paid \$36 in membership fees. This gives Sarah a total return of \$788 for the year.
